Technical Inspection

- Tech will be located near the big white tent by the track map.
- Tech Inspection will be closed during riders' meetings.
- Tech will open Thursday evening 6:30pm – 8:00pm. Friday 7:00am – 9:00am and 6:00pm – 7:00pm. Saturday 7:00am – 8:00am. Sunday 7:00am – 8:00am.
- Thursday night and Friday morning are for bikes running Friday practice and Endurance only.
- During the event tech will be available. You will be informed of the location at the riders' meeting.

Sound Limitations

- We have purchased a Noise Bylaw variance from the track for this event. All machinery must conform to 103db measured ambient from the track offices. Riders of machinery found to exceed this limit will be notified. No one who is found to exceed the 103 db limit will be removed from the event as long as they show an honest attempt to reduce their machine's db level. Refusal to comply will prevent you from entering the track or running the engine in the paddock. No race engines to be run before 8:00am or after 8:00pm. Please make every effort to show the community of Calabogie that the VRRRA is a positive addition to their summer festivities.

VIP tech inspection

- VRRRA VIP bike tech is available. We will tech your bike(s) in your pit, on your stands.
- Cost is \$20 for 1 bike, and \$10 for each additional bike with same racing number. Payable on-line when registering. The proceeds are a donation to VRRRA.
- When you are ready, call or text Dave Hood (226-919-7737) with location of pit and bike number.
- Available during tech hours
